HAPPY NEW YEAR!

A New Look

We're so excited to announce that our new and improved website it now LIVE! Over the past few months we've worked hard to create a site that better reflects who we are and makes it easier than ever to learn about our mission, programs, and ways to get involved.

Community Partners

During the snow and ice storm earlier this month kind volunteers from Advance Ready Mix Concrete jumped into action and poured salt around campus so that our staff and residents could safely get around. We're so thankful for their thoughtful efforts!

HIGHLIGHTED RESIDENT OF THE MONTH

Zachary

Today, we're celebrating Zachary as he graduates from the College for Living program after seven incredible years! His journey toward independence has been nothing short of inspiring, and we have no doubt he'll continue to thrive in the community.

Zack is known for his outgoing personality, big heart, and even bigger sense of humor. Whether he's helping out in the office, meeting new people, or cracking jokes, he brings

energy and joy to everyone around him. He's also a talented athlete, competing in Special Olympics swimming, basketball, and softball.

When he's not on the move, you'll find Zack enjoying a Diet Coke, a good burger or sandwich, or making a trip to his favorite spot—Chili's! He's a natural performer, always ready to put on his headphones and dance to early 2000s rap and pop music for staff and friends.

Beyond his fun-loving nature, Zack is a dedicated worker. He has been a reliable employee at UPS for over a decade, proving that individuals with disabilities make meaningful contributions to their communities every day.

Zack, we are **so proud** of you and can't wait to see all that you accomplish next!
